Now that part of Dr. Caloris' bldg is rented Wes will ask him if he is ready to have a bench on the property.

Duane will let the PB know our position on the proposed historic district ordinance. The following was written by CHHDC on June 23, 2015 –

As Duane has already stated, at the May 19th Planning Board meeting, we (CHHDC) are happy with the proposed ordinance as submitted. We would review any ordinance the PB writes to see if we would approve, support and be able to enforce it.
